

Interior Accessories

Ash Tray & Lighter

More than just a lighter. The dashboard-mounted ashtray and lighter not only is a handy place for loose items such as change. The lighter feature can be utilized as an auxillary AC power source. It's a convenient way to recharge a cellular phone or to provide power for a laptop computer.

BLU Logic® Bluetooth

BLU Logic® connects to handsets equipped with Bluetooth® wireless technology that enables connectivity between multiple devices. This technology allows customers to use their cell phone hands-free in the vehicle.

Cargo Mat - Rubber

Made to measure for your vehicle. These mats are custom-designed to ensure an exact fit. The wrapped edges and aggressive "nib" underside provide a non-slip fit. Plus, all mats are colour matched to a vehicle's interior for a fully integrated appearance.

Cargo Net

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Door Sill Protectors

These stylish door sill protectors are not only functional, but offer a styling accent that is immediately noticed when entering the vehicle.

Navigation System

This Navigation unit provides easy connectivity to your favourite portable devices with inclusion of mass media application for USB & SD; Bluetooth Audio Streaming; Auxiliary Input. It also supports *XM Satellite Radio and iPod connectivity via an optional **iPod Adaptor. (*Additional Components Required. **Optional Accessory.)

Navigation System with Ipod adaptor

This Navigation unit provides easy connectivity to your favourite portable devices with inclusion of mass media application for USB & SD; Bluetooth Audio Streaming; Auxiliary Input; and iPod Adaptor. It also supports *XM Satellite Radio. (*Additional Components Required.)

Owners Manual Wallet

Premium owners manual wallet with large pocket for holding manuals and service records. Also has a smaller pocket and business card sleeves. Has a Toyota logo and magnetic fastener.

Interior Accessories

Passenger Armrest

The tiltable armrest is an essential addition to the long commuter or the frequent everyday driver. Take a more comfortable driving position with the optional armrest.

Rear Door Storage - Cargo Organizer

The Rear door storage nets attach to the rear tailgate, and are perfect for securing small to medium sized objects. Your FJ can accommodate up to 2 of these useful storage nets.

Tonneau Cover

Increase privacy for the cargo area with a Tonneau Cover. This nylon cover is simple to remove and retracts into a compact roll when not in use.

Toyota Emergency Assistance Kit

The Toyota Emergency Assistance Kit is packed with items designed to help you during unfortunate road emergencies. Included in the kit is a large reflective triangle, jumper cable, flashlight with batteries, work gloves and more! The heavy duty case attaches to your vehicle with hooks or velcro. Designed to complement our First Aid Kit for complete peace of mind.

Toyota First Aid Kit

Peace of mind for yourself and occupants. Our compact first aid kit contains bandages, antiseptics, and ointments to help treat most minor injuries. This 55 piece kit comes complete with a hard shell case with velcro backing, allowing it to be securely placed throughout your vehicle.

TRD QuickShifter

The TRD quick-shifter delivers up to thirty-five percent faster, more positive shifting, courtesy of optimized linkage and repositioned pivot points that provide a shorter shift throw•plus a sportier, more responsive feel.

XM Satellite Radio

Enable your satellite radio ready factory audio system! Our package contains the required components to enable you to tune into the commercial free radio station of your choice. Please note that the satellite radio requires a contract subscription with your local service provider.

Exterior Accessories

Block Heater

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Exhaust Tip

The corrosion resistant, stainless steel exhaust tip is a quick upgrade for those who want to add a touch of style to their factory exhaust pipe.

Hitch - 2" Receiver

The Toyota Hitch System is specifically manufactured for your vehicle. Each System has been engineered to obtain your vehicle's safest maximum tow rating. For durability, all Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and designed to meet or exceed all industry towing standards.

Please refer to your vehicle's Owner's Manual for the rated towing capacity.

Hitch, Ball Platform, Wire Harness, 2" Receiver

The Toyota Hitch System is specifically manufactured for your vehicle. Each System has been engineered to obtain your vehicle's safest maximum tow rating. For ease of use, the Towing Hitch Ball Platform has been custom designed to accommodate the height of your vehicle with conventional towing. For safety, the Wire Harness features high-quality plug-in connectors specific to each Toyota model to ensure seamless tail light and turn signal operation. For durability, all Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and designed to meet or exceed all industry towing standards. Please refer to your vehicle's Owner's Manual for the rated towing capacity.

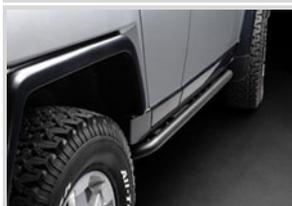

Hood Deflector

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

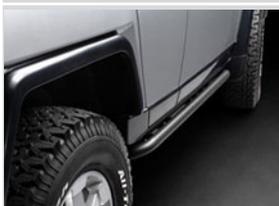

Licence Cover - Clear

Keep your plate clean. The Toyota License Plate Cover, made from durable weatherproof plastic, protects your license plate from the elements. You'll no longer have to contend with dust, mud and grime sticking to it. Comes with a clear or black frame.

Rock Rails (LH)

Rugged steel bars will help protect your rocker panels from oversized rocks when doing a bit more than grocery shopping.

Rock Rails (RH)

Rugged steel bars will help protect your rocker panels from oversized rocks when doing a bit more than grocery shopping.

Exterior Accessories

Roof Rack

Carry more on your roof. Ideal for carrying skis and bikes, this custom-fit rack has a quality, integrated look and offers cargo-carrying capability without sacrificing interior space. Equipped with front and rear sliding crossboards with adjustable tie-down eyes, the racks are compatible with Genuine Toyota Lockable Bike/Ski Rack Attachment. A wide range of shapes and sizes can be securely fastened with minimal chance of shifting.

Running Boards

Go that extra step. Not only do running boards assist in entering a vehicle, they also help protect the lower body from road debris. Constructed with high quality material, they feature a wide-step surface with plastic step pad. The custom engineering ensures a perfect fit and easy installation.

Security with GBS

The glass breakage sensor provides an additional sense of security in addition to the conventional theft deterrent system. In an unfortunate case of a break-in, the sensor will trigger the main security system once the window has been penetrated.

Side Window Visors

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise. If desired, fresh air can enter the vehicle free of additional noise or other elements. Its sleek, aerodynamic styling will also enhance your vehicle's appearance. Installation is quick and easy since no drilling is required.

Spare Tire Cover

Protect your tire. Made of fade resistant vinyl, this FJ Cruiser tire cover shields the tire from the outside elements thanks to a protective zippered cover. It covers the entire tire and features a FJ logo on the outside. The simple installation can be done in a couple of minutes.

THULE Upright Bike Carrier

The THULE Upright Bike Carrier is ideal for the hard core or recreational rider. Take your bike wherever you go. Easy mounting, self-adjusting jaws handle frames up to 3 3/8" in diameter.

Additional parts may be required to mount carriers on vehicle such as roof racks and towing hitches. Carriers are for attachment to Toyota Approved Accessories ONLY.

Trailer Ball - 2"

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

TRD 16" Alloy Wheels • Bronze

These durable TRD 16-inch off-road beadlock wheels offer owners a distinctive and rugged upgrade to their stock wheels. Constructed of low-pressure alloy, the wheels provide a higher strength-to-weight ratio for optimal performance. They feature a bronze painted finish and machined outer lip with beadlock styling. TRD embossed snap-in center cap included.

Exterior Accessories

TRD Big Brake Kit

The TRD high performance brake kit delivers confidence-inspiring performance, as well as improved stopping distance and enhanced pedal feel. The six-piston opposed fixed calliper design is optimized specifically for the vehicle and allows use of larger brake pads with greater pad volume, while the differential calliper piston bore size applies greater clamping force to the trailing end of the brake pad to maintain even wear.

TRD Cleaning Kit

Created specifically for vehicles already equipped with a TRD performance air filter, the cleaning kit includes everything owners need to help ensure the superior protection and performance of the air filter.

TRD Front Performance Brake Pads

These are high friction performance pads are made from a Kevlar and ceramic-strengthened compound. They provide a great combination of cold and hot friction, maximum operating temperature, and low noise levels. TRD brake pads come with anti-squeal shims.

TRD Oil Filter

TRD High Performance Oil Filters incorporate state-of-the-art design and materials offering superior protection.

TRD Rear Performance Brake Pads

These are high friction performance pads are made from a Kevlar and ceramic-strengthened compound. They provide a great combination of cold and hot friction, maximum operating temperature, and low noise levels. TRD brake pads come with anti-squeal shims.

TRD Screw on Oil Cap

Manufactured from forged, highly polished billet aluminum, the TRD oil cap features a red on black TRD logo to customize the engine compartment with a high-tech, race-ready appearance. It's finished with a high-luster coating to maintain appearance for years to come.
