Exterior Accessories

Bed Extender

Just a little extra space. The extender, which extends over the tailgate, is made from rugged lightweight, anodized aluminium tubing. It offers additional space for carrying things in the back of any Toyota pickup. It not only protects your cargo but it also keeps it in the vehicle bed where it belongs. Made from corrosion-resistant parts, the extender fits both Tacoma and Tundra and is easy to install and remove. Plus, it can be rotated inward to hold smaller items in place.

Bed Mat

Protect your truck bed when you need it. Custom designed for an exact fit, the mat protects against scratches, spills and damage. Made from thick cord-reinforced, synthetic rubber for durability, the mat is resistant to cracking and breaking while also providing airflow and drainage to keep the truck bed dry. The anti-slip design also prevents items from sliding in the cargo area. Mat can also be trimmed to fit into a truck with a bedliner.

Block Heater

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Cargo Divider

The extra large truck bed can be too big sometimes. The cargo divider will allow you to create a smaller partition of your bed space to keep your cargo or boxes from flying around inside your truck bed.

Cargo Net - envelope

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

D-Rings

Factory bedrails are also available as an accessory for those packages that do not come with them. With this accessory you can tap into the wealth of functional accessories such as the bed cleats, cargo dividers, and more!

Hood Deflector

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

Licence Cover - Clear

Keep your plate clean. The Toyota License Plate Cover, made from durable weatherproof plastic, protects your license plate from the elements. You'll no longer have to contend with dust, mud and grime sticking to it. Comes with a clear or black frame.

Roof Rack

Carry more on your roof. Ideal for carrying skis and bikes, this custom-fit rack has a quality, integrated look and offers cargo-carrying capability without sacrificing interior space. Equipped with front and rear sliding crossboards with adjustable tie-down eyes, the racks are compatible with Genuine Toyota Lockable Bike/Ski Rack Attachment. A wide range of shapes and sizes can be securely fastened with minimal chance of shifting.

Running Boards

Go that extra step. Not only do running boards assist in entering a vehicle, they also help protect the lower body from road debris. Constructed with high quality material, they feature a wide-step surface with plastic step pad. The custom engineering ensures a perfect fit and easy installation.

Security System

Help protect your investment with our security system. With enhanced sensors, the system detects unauthorized entries and activates an alarm to help deter thieves.

Side Step Bars

A rugged good look. The dual step pads not only help passengers get into a vehicle but also give the vehicle a rugged look. Available in Aluminium, these wedge step bars are custom fitted and designed for your vehicle. Plus, the steps are easy to install since no drilling is required.

Exterior Accessories

Skid Plate

The aluminum skid plate is not only stylish, but functional as it helps to protect the underbody by guiding rocks and debris away.

Spare Tire Lock

Constructed of forged, hardened steel with triple-nickel or zinc plating, Toyota wheel locks provide inexpensive, dependable protection against wheel and tire theft-along with peace-of-mind in knowing wheels and tires are secure.
